

Happy Mothers Day

母親節快樂

香蓮阿姨：

從小有您，替我已故的母親，
一點一滴地將我拉拔長大，
也許有些時候我調皮不懂事，
也許有些時候我叛逆不聽話，
但是更多時候，都是您的淳淳教誨
都是您的包容和原諒，

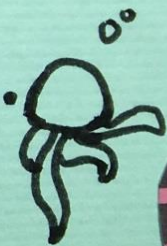

為了照顧我和姊姊，
身體不好的您也是拼命地賺錢養育
我們，犧牲了多少歲月，將一個女人最珍貴的時光，
都耗費在我們身上，您不離不棄的照顧，
犧牲健康和歲月，

有您，是我這一輩子最大的幸福，

我很慶幸，我有兩個媽媽的疼愛，

香蓮阿姨，您就像是我第二個媽媽一樣。

Time goes by a lot slower when you miss the
to be in every rose. I think that could be found in two, is less what I feel for you.

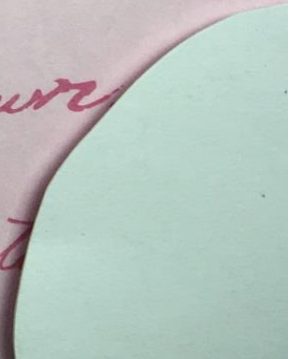

Distance is not terrible, terrible is the
the best relationship is when you can completely act yourself,
they can all love you for who you are.

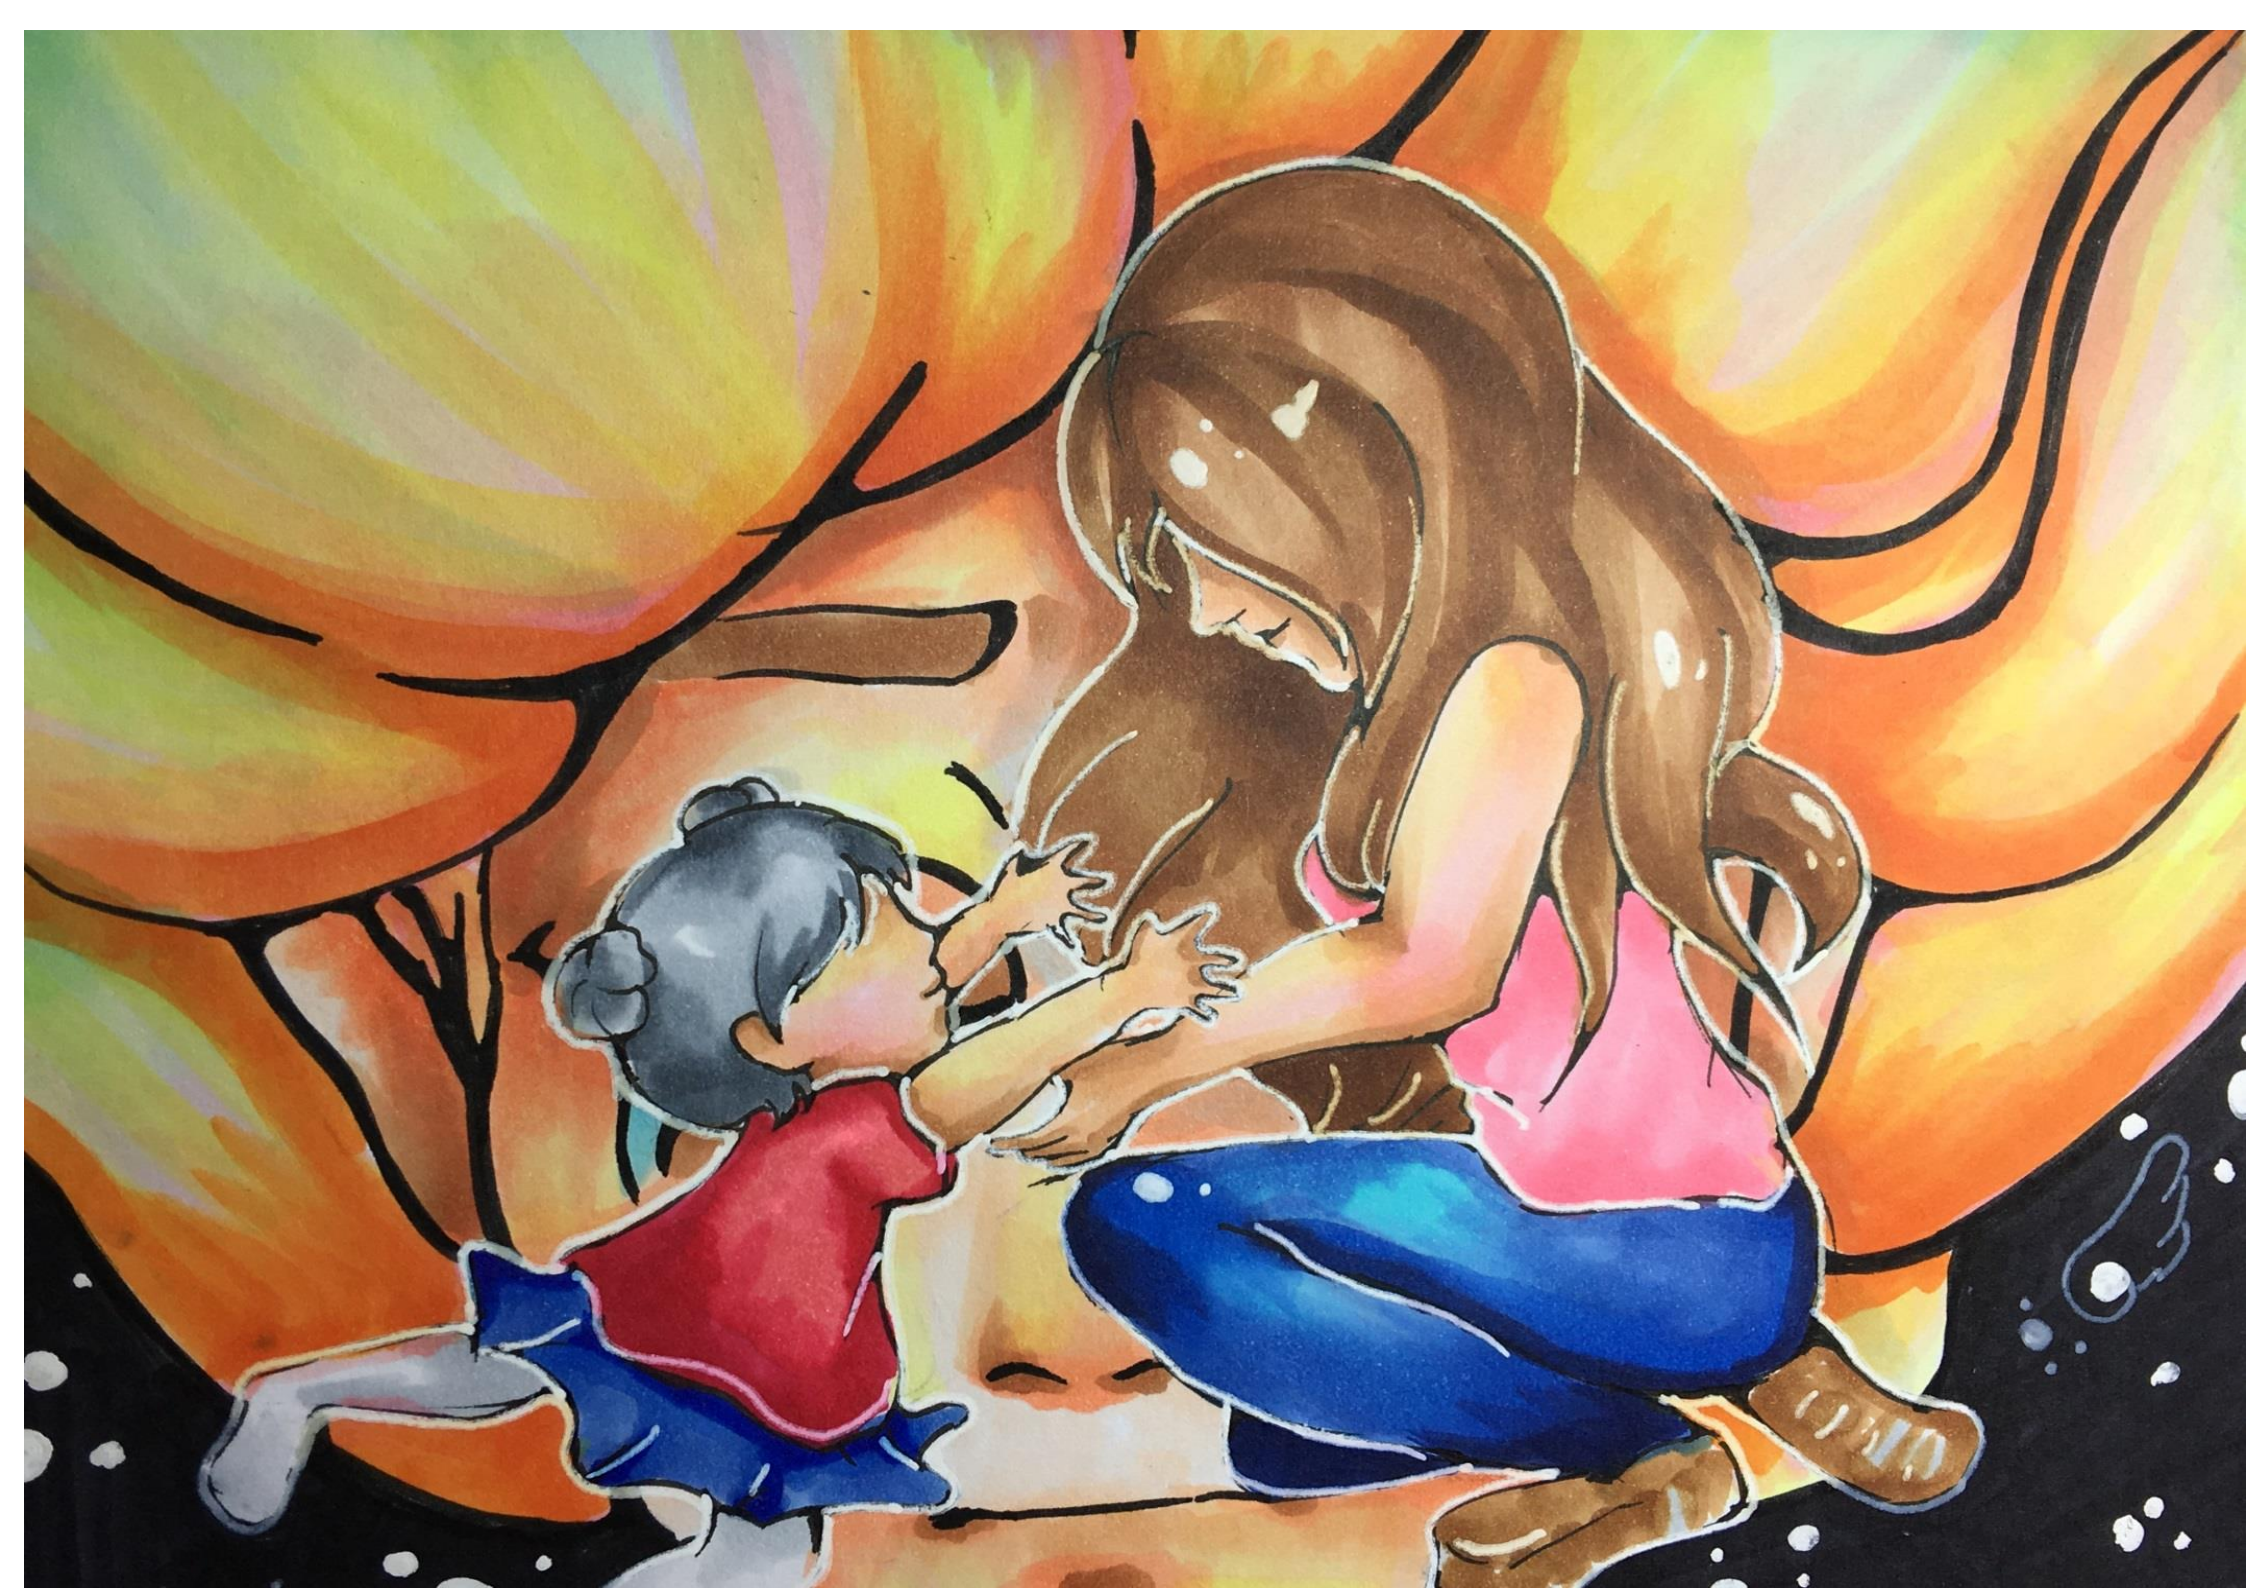

When the morning
the morning upon you
choice of more to be different

control.
do one thing to life, I think this to

Love you Long for you, And keep warm
happiness.

Love you Long for you, And keep warm
not because of who you are, when I am with you. You remember me, to

在將來的好裡，有我
在未來的生活裡，換我
照顧你的下半輩子，
謝謝您，香蓮媽媽，
母親節快樂。

斯琪敬上

Happy Mother's Day.
